PRIVACY AND DATA PROTECTION

19. The Promoter reserves the right to publish or make available the surnames and county of residence of all winners and where applicable, their winning entries, for the purpose of indicating that a valid award took place for this Promotion. If you object to your information being published or made available for this purpose, please contact the Promoter using the following contact detail: webprivacy@panini.uk. 20. The Promoter will use any personal data of the Entrant and Child submitted by the Entrant in accordance with this Promotion, solely for the purposes of operating this Promotion, and for associated promotional purposes as set out in terms 29-31 above and for no other purpose (“Service Provision”). To that extent, the Promoter may share Personal Data of the Entrant and Child with third parties involved with the Service Provision. These third parties are appointed as Data Processors as they process Data on behalf of the Promoter.
21. The provision of Personal Data and the related processing for the purposes related to the Promotion is strictly functional to the Service Provision and the correct execution of the contractual relationship with the Entrant and therefore they constitute a necessary condition for the establishment of the contractual relationship itself and the lawful basis of the processing. Consequently, failure to provide the Personal Data requested for this purpose, or the inaccuracy of the data provided, will make it impossible for the Promoter to allow the Entrant to participate to the Promotion and would legitimize the Promoter to refuse to carry it out the Service Provision.
22. The Personal Data processed for the purpose of Service Provision and contractual obligations will be retained by the Promoter for the time strictly necessary for the execution of the requested Service and for the correct execution of the contractual relationship with the Entrant. As this Personal Data is processed to provide the Entrant with the Services and allow the execution of the contractual relationship, Promoter may keep them for a longer period, in particular for what may be necessary in order to protect the interests of the Promoter against possible claims arising from the Service Provision.
23. The Promoter will delete any Personal Data of the entrant and Child submitted by the Entrant after the end of the Promotion or promotional period, save where the Promoter is permitted to retain it in order to comply with applicable law.

24. By submitting your Entry, you consent to the processing of your Personal Data and your Child's Personal Data in accordance with these terms and conditions.

26. The winners and, where relevant, their Child, shall be subject to the policies and terms and conditions of any and all third parties involved in the creation and fulfilment of the prizes.
27. Events may occur that render the Promotion itself or the awarding of the prize impossible due to reasons beyond the control of the Promoter and accordingly the Promoter may at its absolute discretion vary or amend the Promotion and the Entrant agrees that no liability shall attach to the Promoter as a result thereof.
28. The Promoter shall not be liable for any interruption to this Promotion whether due to force majeure or other factors beyond the Promoter's control.
